

June 2019

Dear Parents and Rising Second Graders,

I am very happy that you will be part of our 2nd grade class. I am looking forward to a fantastic year together!

I want you to have a summer filled with adventures as well as relaxation, but I do not want you to forget all the important things you have learned in first grade! Please visit your local library and check out lots of books and complete the Governor's Summer Reading Challenge! Students who read during the summer tend to forget less of what they have learned during the school year.

Please see the attached notice with the Second Grade Supply List. I would like to thank you in advance for your kindness and generosity in providing these items for your child. I will have a wish list of classroom supplies we will need for our classroom available in the classroom on the evening of parent information night. I am looking forward to seeing you and your child in August! Have a wonderful summer making unforgettable memories! Happy summer, and happy learning!

Warm Regards,

Ms. Layton

Happy  
Summer
