

An Education You Can Believe In

Inspiring Achievement. Celebrating Community. Embracing Service. Living Faith.

Dear Prospective Parents,

Thank you for your interest in Saint John Paul II Regional School, the preK-8th grade school serving the greater Middletown communities. St. John Paul II Regional School formed in 2012, supported by ten area parishes and building on a foundation of over one hundred years of Catholic education in Middletown. The school currently is home to 180 students – and growing.

A thriving community of learners, Saint John Paul II Regional School offers an affordable Catholic education to children of all faiths. At JPII you will find a safe, nurturing, and challenging environment in which to learn. We know that we are educating the whole child – mind, heart, body, and spirit – and we focus on developing a program in which every student can flourish. Our outstanding faculty guide children to be the “best versions of themselves.” They understand that, as Pope Benedict XVI stated, “Teaching is not just communicating content, but forming young people.”

Our partnership with parents is core to our mission. We understand that the choice of a school is one of the most important decisions you will make on your child’s behalf. Whether your child is entering preschool, elementary, or middle school, at JPII, he or she will be immersed in a supportive learning environment.

We are currently accepting applications for 2019-20 We encourage you to schedule a visit when you can see our students and teachers in action. Prospective students may visit for a “shadow day” to experience school life first hand. To arrange a visit, please call the school office at 860-347-2978 or email office@jpii.org.

We look forward to welcoming you into our community.

Sincerely,

Lawrence Fitzgerald
Principal
