Happy

June 2018

Dear Rising First Grade Students,

I am very happy that you will be in my 1<sup>st</sup> grade class. I am looking forward to a fantastic year together!

Attached to this letter you will find a list of supplies we will need for our school year. These supplies can be brought to school by your parents on Parent Night in August.

I want you to have a summer filled with adventures as well as relaxation, but I do not want you to forget all the important things you have learned in Kindergarten! So, I am giving you a set of games, activities and workbook pages for you to use over the summer. Your parents can print out the packet pages and activities by visiting our school website at [www.jpji.org](http://www.jpji.org) and click on the "Academics" tab to find the drop down tab "Summer Packets and Supply Lists". I ask you to complete 1-2 activities/sheets a day.

In addition to these activities, please visit your local library and check out lots of books and the Governor's Summer Reading Challenge! Students who read during the summer tend to forget less of what they have learned during the school year.

Happy summer, and happy learning!

Fondly,

Mrs. Kelly ☺
