

June 18, 2018

Dear Future Third Grade Student!

I am very excited that you will be in my 3rd grade class next year, and I look forward to a great school year.

Enclosed please find a supply list of items you will need in 3rd grade. Please bring all work supplies to school on the first day. Tissues, paper towels, and wipes may be brought in during the first few days.

Summer is a time to have fun and to relax, but I want to make sure you will not forget everything you have learned in 2nd grade. Therefore, I am asking you to do 15 – 20 minutes of school work every day and to complete your Summer Learning Packet. Ask your parents to visit our school website www.jpil.org. Under the “Academics” tab, they will find the drop down tab “Summer Packets and Supply Lists”. **Please ask your parents to print the Summer Learning Packet and the Reading Log for you.**

Please **read every day** during the summer. Check out the Governor’s Summer Reading Challenge at your local library. Be sure to bring a book wherever you go – the beach, the pool, the park... Fill out the **Reading Log**, and when school starts I would like to see your summer reading list.

Please **practice your addition and subtraction math facts (0-20)**. You should be able to add and subtract fluently without using your fingers.

The classroom supplies, your Summer Learning Packet, and your Reading Log should be brought to school on the first day of class.

Have a wonderful summer!

Fondly,

Mrs. Dzimian
