

# Middle School Supply List

Dear Middle School Families:

We have carefully considered what supplies your student will need to be successful in Middle School this year. We understand that school supplies can be costly; therefore, we have clearly indicated which supplies are expected for all students and which are to be purchased by one grade. We kindly ask that you please purchase all the required supplies so that everyone can be prepared this school year. Thank you for your support.  
~The Middle School Teachers
