

St. John Paul II Regional School

Lions Pride 20-Hour Commitment

Please read, sign and return to the school office

A faith-filled, involved community is a hallmark of a Catholic education. Parental involvement is an important aspect of a child's education. Family participation in the events and activities of Saint John Paul II is truly good for our children and the school community. Parent involvement through volunteering and fundraising also helps us fill the gap between tuition and actual operating expense by funding program enhancements and resources for students.

Therefore, as part of the commitment to the school, each family is required to contribute a minimum of 20 volunteer hours to fundraising events and other school activities. Many families give countless more.

- All volunteer hours will be tracked by the Home & School Association so parents can check their balance throughout the year.
- Volunteers are responsible to record their hours on the sign-up sheets provided for each school function or to notify the school office or HSA volunteer coordinator.
- Families unable to commit to the volunteer hours may "buy out" the hours with a single activity fee of \$400 per family.
- Time spent on an activity that directly supports Saint John Paul II School or raises money to support the school is counted toward the 20 hour requirement. (Please contact the school office or an HSA officer if you are unsure.)
- Unserved hours are assessed a fee of \$20 per hour and billed by the school at the end of May and payable by the end of school.

A list of service opportunities along with descriptions and estimated hours will be published by HSA to help you see what is needed. Examples include:

Home & School Association officer; committee chair for function or fundraiser; coach, assistant coach, or coordinator for school sanctioned JP II athletic team; extracurricular club advisor; Girl Scout or Boy Scout leader of school troop; room parent; parish liaison, library volunteer; hot lunch volunteer; fundraising volunteer; donation of goods and services to an event; donated skills to help the school, such as landscaping, cleaning, electrical, plumbing, graphic design, office help,.... And much more!

Please sign this sheet and return to the school office to complete your registration

I/We have read and understand the 20 Hour Commitment and assessment of un-served hours. I/we understand that this is part of the registration requirements.

If you are opting for the "buy out", make checks payable to JP II School

Thank you so much for your dedication to your child's school.
